International Delivery of the Uniform CPA Examination

The California Board of Accountancy (CBA) discussed the international delivery of the Uniform Certified Public Accountant (CPA) Examination (referred to as iExam) at its meeting on July 21, 2011.

The CBA has been discussing this important topic over the past several months, and believes that this topic must be fully examined before allowing California candidates to participate. The CBA is monitoring iExam since its August 2011 implementation and will continue its deliberations on the topic in March 2012.

Until that time, candidates seeking the option to test at an international location will need to apply and be approved through a participating state, a list of which can be found on the NASBA Web site at www.nasba.org.

As additional information becomes available, it will be posted on the CBA Web site, www.cba.ca.gov, on Facebook at www.facebook.com/#!/CBANews and Twitter at www.twitter.com/#!/CBANews.
